

Paul Callan

1. Where are you from?

Hull, in East Yorkshire.

2. Why are you in Loughborough?

In 1989, God made it clear to my wife and I that we should move from Cambridge to Loughborough (even though we didn't know where it was!) Since then, we became convinced (and still are) that we are called to be here for God's purposes.

3. What is your heart for King's Church?

For it to truly represent the King and his heart of love for all people, and through building relationships to become a self-sustaining disciple-making movement, introducing more and more people to God through Jesus, empowered by the Spirit!

4. Tell us something quirky about yourself?

I am a dedicated Hull City supporter. (Well, someone has to be!)

5. Tell us about your family?

I am married to the wonderful Samantha. We have two children, two grandchildren, one cat and a Grand-dog.

6. 5 words that best describe you. Go!

Thinker, explainer, teacher, steady, introvert.
